Dear Steve,

I understand for many of your club members and supporters the first anniversary of the tragic bushfires is a difficult time and a time for reflection and remembrance. I trust the big cricket day over the weekend will be a massive success and provide an avenue to commemorate the occasion and to pay respect to those whose lives were lost in such tragic circumstances.

With that milestone passed, hopefully you and your club can focus on the football season with great optimism – so often sport provides the ideal vehicle to take your mind off other matters. I have enclosed a few recycled footballs which may be of some practical benefit as you prepare for the new season. Please stay in touch, I look forward to seeing some photos from the cricket and hopefully our two clubs can continue to build on our relationship.

Best wishes for 2010 and beyond.

Sincerely yours,

Gary Stocks
Communications Manager

PS: If you or any of your coaches get the chance to attend a match or training when we are in Melbourne give me a shout and I will do my best to facilitate that request.
